NEW QUESTION: 2

Which of the following represents an occasion when picketing would be illegal?

- A.** When employees try to provide potential customers with information about business practices
- B.** When a union attempts to encourage the employer to recognize union representation
- C.** When a union tries to encourage nonunion employees to join the union
- D.** When employees make efforts to inform the public about the employer's position regarding unions
- E.** When an election for union representation has occurred within a 12month period

Answer: E

Explanation:

Explanation: Though picketing is legal under certain circumstances, one instance when picketing is illegal occurs when an election for union representation has occurred within a 12month period. Answer choices B, C, D, and E are all incorrect because they represent occasions when picketing would be considered legal.
